TITLE I

AT KESTREL HEIGHTS

ABOUT TITLE I

The Title I program at Kestrel Heights Charter School provides supplementary instructional support. Kestrel Heights Charter School operates under the targeted assistance model. This means that Title I funds may be used, with other school funding sources, to provide support to eligible students so that they may meet our high academic standards. Title I is a federally funded program that is one component of the Every Student Succeeds Act (ESSA) of 2015. The ultimate goal of the Title I Program is to aid students in acquiring habits, attitudes, knowledge, and skills necessary to function as successful members of the school community. Title I is a federally funded program.

HOW PARENTS CAN HELP

- » Learn more about the school, curriculum, special programs, Title I, and your rights and responsibilities
- » Teach your child in ways that will add to what the teacher is doing
- » Know your rights because knowledge is power
- » Participate and support your child academically at school and home
- » Make decisions about your child's education and academic program
- » Keep in contact with your child's teacher through telephone, e-mail, or face-to-face conversations

PARENTS RIGHTS

Parents have the right to:

- » Request information about staff members' credentials. Ask your child's principal about how to do this.
- » Know how your child's school is performing. The North Carolina School Report Card for your child's school will be sent home after it is released by the state. This typically occurs in November or December..
